“ Tony was my beloved first cousin with a huge heart. He wanted so bad for my mother to meet me so he took me to see her in corpus when we were both young. I am so sorry to hear of his passing but his faith was strong as his father was. I will always miss my Primo and pray for his eternal peace.

“ Tony was such a sweet soul !!! He was such a giving man. I saw him in action when he was teaching Spanish at the Community Center. He was so patient, caring and always positive.
Tony will be missed greatly by his family and his multitude of friends. May their sweet memories of Tony help comfort them at this most difficult time. Our thoughts and prayers are with them.

“ Tony was my first cousin and the only person who cared about me. My mother, his aunt rejected me and abandoned me at age 5 but he tried in vain to get her to see me. God bless his soul and rest in peace. I love you Primo. Luis Cirilo
