“ To the Williams Family,
I will always remember Ella for her sweet smile, her eagerness to give you a hug and her obvious love for her Creator. May your memories of her bring you comfort and Hashem be your strength. In sympathy, Tina Sachs

“ Ella May Williams was the most sweetest most kindest person we ever meet. With her kind heart she care for my Children and brought them snacks when she seen my children. With her joyful heart she was always caring, it's so hard to hear and accept that she is no longer here, but we know she is in a better place now. Those special memories of you will always bring a smile, if only I could have you just for a little while, then we could sit and talk again just like we use to do, you always meant so very much and will always do too. The fact that you're no longer here will always cause me pain but, you're forever in our heart. A beautiful soul is never forgotten. Until we meet again.
With love and grief- Hernandez family
